

Past Recipients of Butterflies from Humbug Farms and the High Spirits Fund

Excerpt of e-mail from Rosie Gutierrez, referring to the May 2006 butterfly release in honor of 10 year-old Jo Marc, whose life was cut short by an auto accident. Recognizing the calling to help Jo Marc's surviving friends, the butterflies were donated by Humbug Farms.

Kelly,

I can't begin to tell you how touched all of us are that you have chosen to do this for these wonderful children. I know to some it will bring closure and to others help them grieve.

My son and I are especially close and we share an amazing love for all creatures. I know he is looking forward to this special way he has chosen to remember his best friend.

...

Thank You!!!!
Rosie

Excerpt of e-mail from Frann Wageneck, counselor at La Colina Junior High School, referring to the September 2006 butterfly release in honor of 12 year-old Jake Boysel. (please see 9/16/06 Newspress article for more details).

The butterflies were donated by Humbug Farms, and this marked the official beginning of our High Spirits Fund.

Hi Kelly,

Thank you again for your gracious offering. We are planning on a remembrance gathering for this coming Friday, September 15. We would love to offer a butterfly to Jake's closest friends and classmates. Please call me for more details.
